A435-P A440-HP

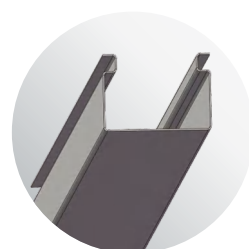

## FOUR POST

# 4-POST PARKING LIFT

*AMGO Four-Post parking lifts are designed with commercial pulley, aero cable, double-S columns, double safety locks, etc. It is a really commercial product with superior quality than most of the parking lifts in the world.*

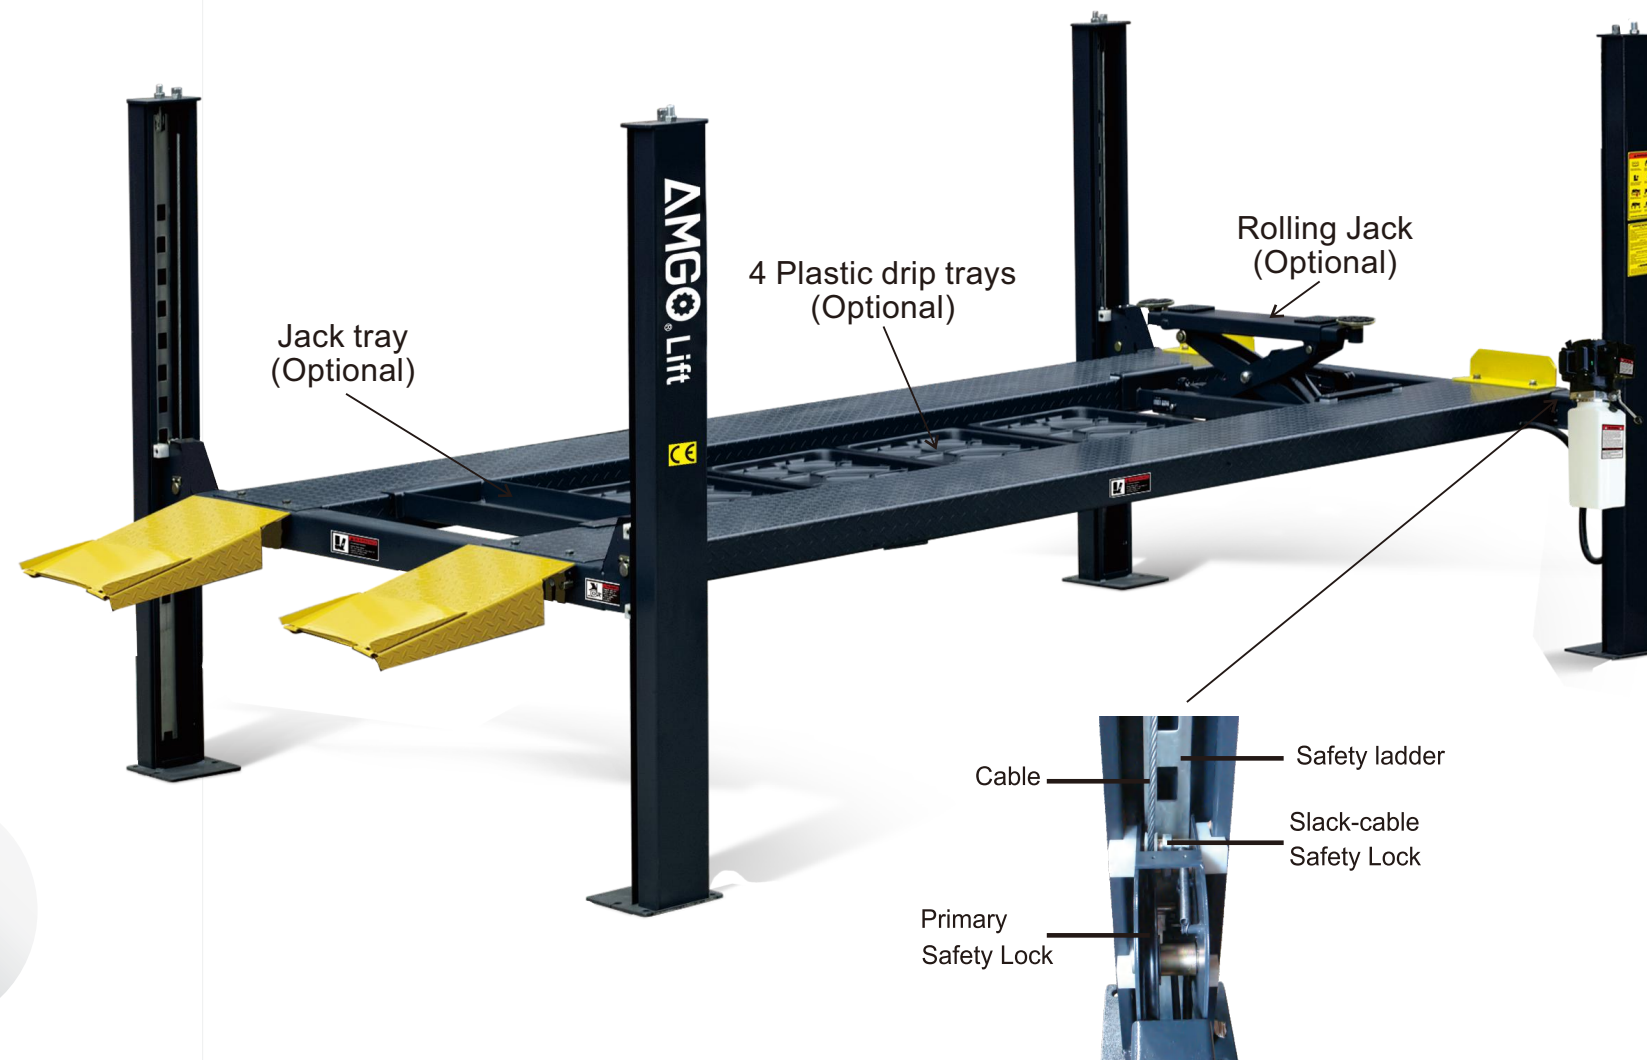

### FEATURES

- AMGO exclusive hidden safety locks and manual single-point release device allows operators to unlock the safety locks from one column.
- Double-S shaped columns help increase the columns' strength.
- Skid proof diamond platform provides traction for the tires to stay put.
- Flexible design: The power side column can be installed at any corner.
- Portable design, can easily be moved by using the caster kits.
- Warranty:
  - 5-Year: Steel structured components.
  - 2-Year: Hydraulic parts or components.
  - 1-Year: Electrical parts.

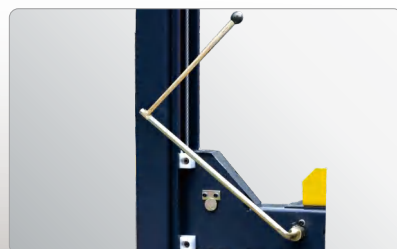

#### EXCLUSIVE FEATURE
